Home Care eligibility includes clients regardless of age, race, sex, religion, handicap, or ability to pay needing services who are ill, handicapped, and restricted to their home. Care is provided under a written order of the physician. Hospice eligibility states that a diagnosis of a terminal illness has been made by a physician with a person's life span expectancy now measured in months rather than years.

ADDITIONAL REMARKS: Putnam County Home Care & Hospice is Medicare certified, licensed by the State of Ohio and accredited through the Community Health Accreditation Program (CHAP). Putnam County Home Care & Hospice can provide information on Advance Care Planning, Community Bereavement Support, Children's Grief Support and Education as well as information regarding health care decision making. Home Care services may be referred by hospitals, physicians, nursing homes, family, self, friend or other agencies. All services are provided under a written order of a physician. Hospice services need to be discussed with your doctor. Discuss your wishes to receive hospice services through PCH with the hospital, assisted living/retirement center, or nursing home social worker. Putnam County homecare and Hospice is a partner agency of the United Way of Putnam County.
